

2014 Evangelist Service Team Report

The Evangelists Service Team is preparing for the Service Team and Delegates meetings in Singapore August 2014. In our culture of collaboration and cooperation, the Evangelists Service Team aspires to work hand in glove with the other Service Teams to build a strong and united fellowship of believers. Utilizing the gifts and resources of all the teams will help us to meet the growing needs of a multicultural kingdom and give great glory to God.

We have made significant progress with our subcommittees detailing areas we want to focus on as a service team. Here is the list of our subcommittees:

Church Growth Subcommittee

Mike Fontenot (Sydney) Chairman, Jeff Wong (Hong Kong), Francis Dasse (Abidjan), Koko Enrile (Manila)

The focus of this subcommittee is to extend a helping hand to churches that may be "stuck" and struggling to grow. We want to help them move forward and receive the encouragement and support they need to overcome their challenges.

Global Missions Strategy Subcommittee

Doug Arthur (Boston) Chairman, Andy Fleming (Birmingham, UK), John Lusk (Denver), John Porter (South Florida), AT Arneson (Chicago)

The priority of this subcommittee is to help fulfill the vision of global saturation with the gospel through developing and strengthening mission societies in our geographic regions. The aim to find out what works best and to assure that missions support is being used in the most productive ways.

Training Programs Subcommittee

John Louis (Singapore) Chairman, Shawn Wooten (Kiev), Justin Renton (Johannesburg), Yury Sokolkin (Novosibirsk), Sam Powell (New York)

Working closely with the Teachers Service Team, the Training Programs Subcommittee is charged with imparting knowledge, skills and understanding through our basic core academic curriculum developed collectively by many respected leaders in the ICOC. This subcommittee will also focus on giving practical training and provide the tools that will aid in the spiritual development of the present as well as the next generation of leaders.

Kingdom Leadership Planning-ILC, Delegate Meetings, Global Summits

Bruce Williams (Los Angeles) Chairman, Pedro Garcia (Los Angeles), Mike Taliaferro (San Antonio), Josue Ortega (San Salvador)

We want our kingdom events to be excellent and to meet our diverse needs. This team will seek to make these events affordable, dynamic and life changing. Effective planning of major kingdom events is a powerful tool to inspire the saints.

As you can imagine there are many other needs and topics that could be

on our list. These areas are our primary focus for now. We realize that we can spread ourselves so thin that we fail to get significant things done. So please pray for us as we seek to do our part to help God's kingdom to grow.

Sam Powell (New York) Interim Chairman, Evangelists Service Team
